NEW DIRECTORY.

The Hill Directory Company of Alexandria, and Richmond, Virginia, has completed the latest directory of Alexandria and are now delivering it to the subscribers. The book is nicely gotten up and contains much useful information regarding Alexandria and its business interests. The preface, furnished by the Chamber of Commerce of Alexandria commencing on page 2, gives some very interesting facts and figures in connection with the solid growth of Alexandria. The Hill Directory Company are enabled to place a copy of the Alexandria Directory in a large number of cities throughout the United States where it is in daily use by the traveling public. This feature alone is a very valuable one to our city. We are told by the publishers that they have been met in a very kindly spirit by the business men and the citizens generally, thus enabling them to secure the necessary information for the production of their directory.

WEDDING.

Miss Elizabeth Bryan Ewing, daughter of Mrs. Frances Barbour Ewing, formerly of this city, and the Rev. George Atmore Sparrow, pastor of the Presbyterian Church at Gastonia, N. C., were married very quietly at noon yesterday in the apartment of the bride's mother at Hammond Court, Georgetown. The ceremony was performed by the Rev. Robert C. Anderson of North Carolina. The bride wore a gown of soft white satin with an overdress of the same material, the edges of which were embroidered in gold thread. The bodice was trimmed in point lace and had a yoke of gold net. She carried white roses. The maid of honor was the bride's youngest sister, Miss Jeanette Pendleton Ewing, who wore a pink organdie trimmed with baby Irish lace, over pink silk, and carried enchantment carnations. Breakfast was served immediately after the ceremony. Early in the afternoon Mr. and Mrs. Sparrow left for their wedding journey. Mrs. Sparrow's going away dress being a tailored suit of shepherd's plaid cloth, with which she wore a black straw hat trimmed with a single uncut ostrich plume. They will visit several resorts on the Jersey coast before going to their home in North Carolina. Among the small number of guests present were Miss Catharine H. Stuart and Mr. Mahlon H. Janney of this city.

A. L. I.

I. will be in command of Capt. F. L. Slaymaker and Lieut. C. H. May and Arthur Herbert and will carry about 40 men. The men will assemble at the armory at a late hour tonight and will march to the union station where they will take the train for Gettysburg, where they will arrive about 7:30 o'clock a. m. Major J. E. King, First Lieutenant Adjutant S. A. Howard, Second Lieutenant Quartermaster L. N. Duffey and Sergeant Major R. C. Talbot will accompany the company. A meeting of the company will be held at 7:30 o'clock tonight to make final arrangements.

THE CIVIC LEAGUE.

As was stated in the Gazette, the Civic Improvement League will meet again tomorrow night at the rooms of Chamber of Commerce to perfect arrangements for the celebration of the Fourth of July. The features of the celebration will be made as interesting as possible to both young and old. It is believed by the members of the league and all citizens in sympathy with the movement that in years to come the dangerous and annoying observance of the Independence Day will be a thing of the past.

LICENSES COLLECTED.

The state licenses collected for the half year, merchants and professional and other than liquor, amounted to \$4,025.74, and from liquor, \$35,700. The first half year is of course much the largest in collections, as licenses must be paid in advance. The sum collected this half year is the largest for many years past.

FIGHTERS FINED.

Walter Johnson, white, an itinerant, and William Taylor, colored, either on account of the heat or the recent visit of the comet, became bellicose on West street yesterday. Johnson used his stick as a weapon and Taylor utilized a beer box as a missile. Henry Stevens, colored, attempted to pour oil on the troubled waters, but failed signally. Officers Ferguson, Beach and Rawlett arrested the combatants and they were fined \$5 each in the Police Court this morning.

POLICE COURT.

[Justice H. B. Caton presiding.]
The following cases were disposed of this morning:
James Lucas, charged with being drunk in the streets, was fined \$5.

PAYING CHURCH DEBTS.

A meeting of the committees of the M. E. Church South to whom has been entrusted the work of reducing the church debt met last night after the prayer meeting services and reported satisfactory progress in their labors. It was shown that about \$4,000 of the indebtedness has been paid since April 1st of this year.

On next Wednesday night the debt upon the First Baptist Church in this city will have virtually been paid. By the end of July a mortgage which has been on the church for several years will be burned.

STILL AT LARGE.

William Eggleston, colored, who assaulted Warden William Chandler and his wife in the jail in this city early yesterday morning and made his escape, is still at large. It is supposed he boarded a freight train at the Potomac yards and left this vicinity. Eggleston was awaiting the appearance of a guard from the penitentiary in which institution he was to serve two years for grand larceny, he having stolen clothing from Bernheimer & Company. The darkey pleaded guilty when arraigned in the Corporation Court.

It was reported today that Eggleston was at a store on upper King street. Chief Goods repaired to the place, and upon an investigation was convinced that the darkey is not in Alexandria.

FRATERNAL VISIT.

The regular weekly meeting of Alexandria Council, No. 5, Order of Fraternal Americans, will be held tonight. Delegations from Washington councils will attend the meeting, and a committee from Alexandria Council will meet the Washingtonians at Payne street and escort them to the hall.

Insurgency Defeated in Vermont.
Montpelier, Vt., June 30.—Insurgency in Vermont was narrowly defeated here today when John A. Mead, of Rutland, was nominated for governor at the republican State convention on the second ballot by a majority of only three votes. On the first ballot he was six short of the necessary number.
Mead, who is a very rich man won over F. C. Fleetwood, of Morrisville, the candidate of the state progressives. Despite Mead's narrow victory, a tariff revision won out in the convention, it going on record as demanding the appointment of a non-partisan tariff commission to aid Congress in making over the present law.

NEWS OF THE DAY.

The London Telegraph says that Lord Kitchener may succeed Sir Eldon Gorst as British agent in Egypt.

A Panama hat importer has expressed his willingness to pay \$100,000 of which he admits having defrauded the government and to expose others. Lawrence H. Hopkins, one of the oldest residents of Washington, and a retired business man, died of paresis yesterday.

Mr. W. J. Bryan arrived at Quebec today from Europe. He took the Canadian Pacific train for home, thereby saving three days.

The conferees of the government and the opposition failed to agree regarding the veto power of the Lords, and it is believed that an autumn session of Parliament will be called to deal with the relations between the houses.

The Swiss government has issued a decree postponing the prohibition on the importation of California sulphur-dried fruit until July 1, 1911, according to official information received at the State Department.

Out of 280 candidates who took the mental examination for admission to the Naval Academy only 104 passed, according to reports received at the Navy Department from the examining board.

Following a meeting yesterday between Theodore Roosevelt and Governor Hughes at Harvard, the former president sent a dispatch to Lloyd C. Griscom, favoring the passage of the Cobb direct primary bill by the New York legislature.

With a handkerchief stuffed in her mouth the body of a woman about 40 years old, was found late last night on a Hudson river pier in New York. The woman was seen alive near the pier with three men about an hour before her body was discovered.

A sharp featured youth, named Eppers in ragged swimming trunks, with a skimpy coat and old pair of trousers drawn over them dived successfully yesterday afternoon from the center span of the Brooklyn bridge, New York, to the East river, 135 feet below, for \$250 in cash and two new suits of clothes. He was found floating on his back, half stunned and paddling feebly. A rub down and two hours rest found Eppers fit to appear in police court, where he was discharged for lack of evidence that he had attempted suicide.

The trial of E. E. Powell for murder ended abruptly in Warrenton, N. C., yesterday by counsel for the prosecution and defense agreeing to a verdict of murder in the second degree. Judge Ward sentenced Powell to 30 years in the penitentiary. Powell was charged with killing Chief of Police Dunn and with wounding State Senator Travis and State Representative Kitchin at Scotland Neck early last March. Powell is 68 years old, so that 30 years in prison is equivalent to a life sentence.

SENATOR DANIEL'S SUCCESSOR.
There is little dissent from the opinion that ex-Governor Claude A. Swanson will be appointed by Governor Mann to fill out the unexpired term of Senator Daniel, which will end on March 4, 1911. He will also be named for the new term beginning on that day, subject, of course, to the action of the legislature at the session which begins in January, 1912.

This means that there will be a double primary in Virginia next summer. The term of Senator Martin will expire in March, 1913, and the next general assembly will be called upon to elect his successor. Thus there are two senators to be elected, under instructions by the people at the democratic primary next summer.

Representative Flood, Speaker Byrd, of the House of Delegates, and others have been mentioned in connection with the appointment, but the general impression is, as above stated, that former Governor Swanson will be the appointee.

DEATH AT A WEDDING.
The sudden death of Mrs. Elizabeth A. Bryan, wife of Mr. David P. Bryan, of Govanstown, as the wedding party of her sister was leaving St. Mary's Catholic Church, Govanstown, near Baltimore, yesterday afternoon, turned a scene of gayety into one of sorrow and mourning and cast a gloom over the entire village.
Just as the carriage bearing the bride and groom and their attendants had rolled away from the church and a second carriage, in which were the bride's parents, was about to leave, Mrs. Bryan gasped and would have fallen to the ground had she not been caught in the arms of her husband. With the assistance of Mr. John J. Fahy, Mrs. Bryan was laid on the church lawn and everything possible was done to revive her, but she never recovered consciousness.

TELEGRAPHIC BRIEVITIES.
